

Le Clos des 3 Rois

Welcome to the Clos des 3 Rois in Anjou, Loire Valley!

This plan has been made to prepare your stay, to make your choice of bed and breakfast, to situate yourself in the property.

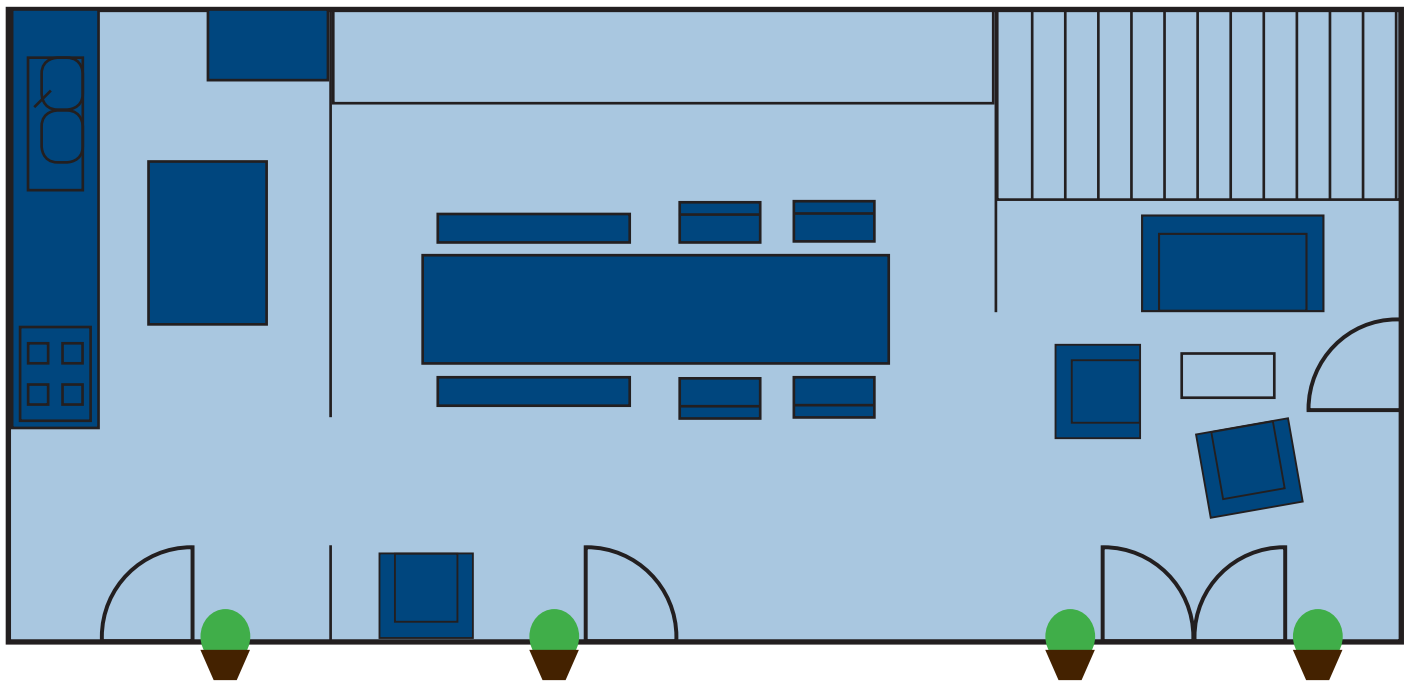

The Clos des 3 Rois is composed of two outbuildings framing the main house in which we are staying.

In an outbuilding, on the ground floor, you will find the kitchen, the dining room for your meals and your breakfasts, the living room. On the first floor, the billiard room, toilets and the blue room. In the other outbuilding, on the ground floor, the bedroom with the canopy and the linen room (accessible during your hirings in lodging by the week). On the first floor, the bedroom with the stained glass window and the bedroom at the skylight. In duplex, on the ground floor and on the first floor, the room with parrots.

The five rooms are equipped with sanitary facilities with separate toilet.

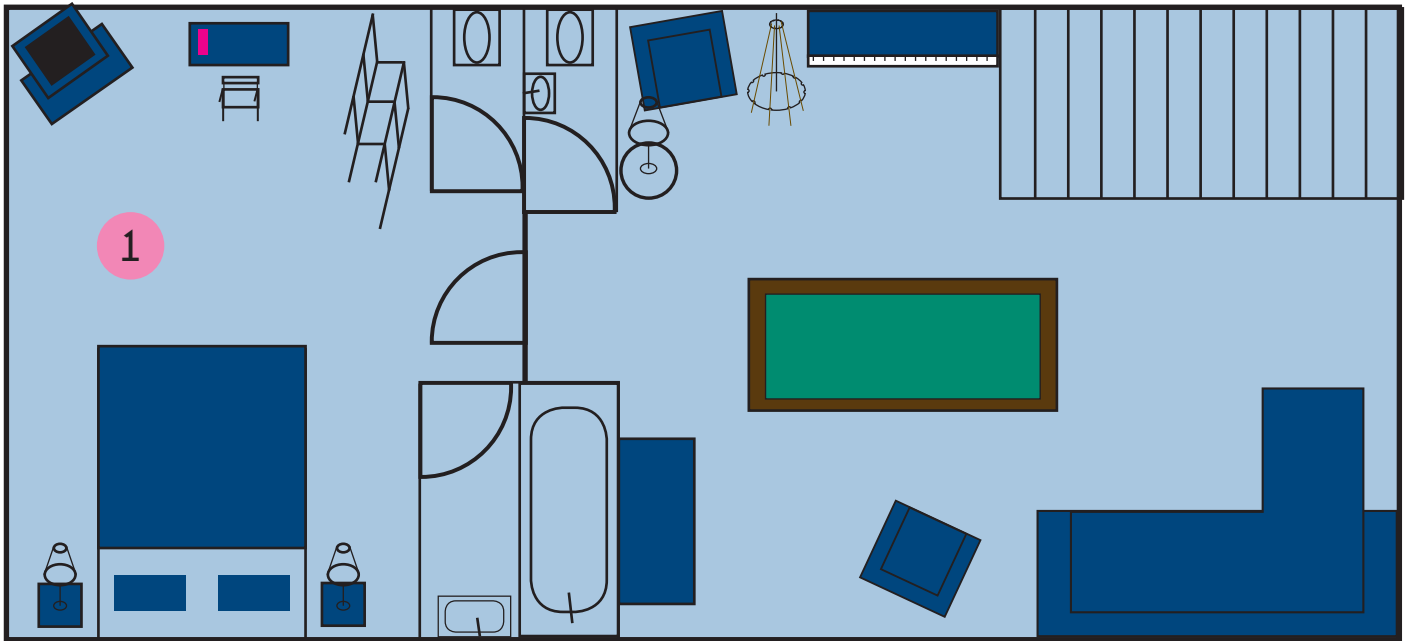

We are of course at your disposal for any further information.

Looking forward to welcoming you, Liliane and Marc
